in conducting operations involving joint concerns and activities. The Police Department's policies, rules and regulations are interpreted and applied from the Office of the Chief of Police.

The Community Operations Division, the Investigative Services Division, and the Office of Professional Conduct report directly to the Chief of Police. These two divisions are responsible for organizing and directing the personnel under their commands. The Community Operations Division is responsible for the uniformed services such as patrol, traffic enforcement, and community services. Soon after the unit came into existence, Detectives were able to clear with arrest a 30 year old murder case bringing closure to the family. With the authority from the District Court a 6th Criminal gang Injunction was put in place, further protecting our city from criminal gang influences. With the uptick in active shooter events throughout the Nation, the Community Services Unit taught 27 (CRASE) Citizen Response to Active Shooter Events course to various Wichita Falls businesses and schools advising their employees how best to react to such an event. # Office of Professional Conduct

When requested by the Chief of Police, the Office of Professional Conduct will ensure that complaints or misconduct is investigated and submitted to the Chief. These investigations are categorized as either Class “A” or Class “B” investigations. Class “A” investigations are more serious in nature and are completed by the Office of Professional Conduct. Class “B” investigations are conducted by the employee's supervisor and reviewed by the chain of command.

Possible dispositions of investigations are as follows:

- Sustained:** Evidence tends to support the allegation of misconduct.
- Not Sustained:** There is insufficient evidence to either prove or disprove the allegation of misconduct.
- Unfounded:** Evidence tends to disprove the allegation of misconduct.
- Exonerated:** The evidence tends to support factual occurrence, but conduct does not appear to be improper.
- Policy / Training Issues:** The evidence tends to support a finding of improper action, which may or may not have been consistent with policy. May indicate a need for training rather than disciplinary action.

A total of **15** cases were investigated in 2019. Of these 15 cases, 10 were Class A investigations and 5 were Class B investigations.

# Community Operations Division

## Deputy Chief R.W. Smith

The Deputy Chief over the Community Operations Division is responsible for Patrol, Community Services, and Technical Services. Two Captains under this division report to the Deputy Chief. One Captain is over Patrol and one Captain is over Community Services and Technical Services.

The Patrol Section is by far the largest and most recognized section of the Police Department. Almost half of the department's police officers are assigned to Patrol. The Patrol Section has two 12 hour shifts designed to put the maximum number of officers on the street to answer calls for service.

The Community Services Section is composed of the Crime Free Unit, DARE, Public Information Officer, Volunteer Police Chaplains, Volunteers in Policing, Student Interns, and Sentinels. Community Services is also responsible for the Neighborhood Watch Program and the Citizens Police Academy.

The Traffic Section is made up of the Motorcycle Unit which specifically enforces traffic laws, and Accident Investigators who conduct both on-site and follow-up investigations of vehicle crashes.

The Training Section is responsible for the Police Department's in-service training, maintaining records of all officers' training, and ensuring compliance with TCOLE training standards. This unit is also responsible for managing a Certified Police Officer Training Academy and a Dispatch Academy for employees of the Communications Section.

Technical Services is composed of the Communications Section, Records Section, and the Property / Impound Section.

The Communications Section handles all 911 emergency calls and non-emergency calls. This section has the dispatch responsibility for the Police Department, the Fire Department, and the Wichita County Sheriff's Office. The Communications Section also handles weekend and after hours dispatching for other city departments, and AMR ambulance dispatch calls.

The Records Section is the repository for all police reports. The Records Section provides police reports to citizens, handles record expunctions and assists officers and investigators. The Front Desk is part of the Records Section and provides 24/7 service to citizens by taking police reports from walk-ins or by telephone.

The Property / Impound Section handles, stores, and inventories all property, vehicles, and evidentiary items turned in by police.

# Patrol Section

The Patrol section consists of two 12-hour shifts deployed across the city to provide a 24/7 Operation. The two shifts are each divided into two platoons. There is an overlap between shifts to provide continual police coverage. When fully staffed, Patrol is comprised of one Captain, two Lieutenants, 12 Sergeants and 80 Officers. Their deployment is constantly re-evaluated so that their assigned hours meet the needs of the community.

The Patrol section uses crime analysis information with the goal of targeting crime “hot spots” and known offenders. These efforts have resulted in numerous arrests as well as crime prevention and a continued lowering of the overall crime rate over the last several years. Using directed patrols and up-to-date intelligence information, Patrol has continued to assist other units of the department in reducing property related offenses throughout the city.

A select group of officers provided field training for those recruits who graduated in 2019. These Field Training Officers (FTOs) are assigned to academy graduates and supervise their transition from the classroom to the streets. Fifteen probationary officers completed field training and were introduced into the Patrol section this year.

10 Chevy Tahoe SUV police vehicles were added to the marked fleet in 2019, raising the total number of SUVs in the fleet to 71. SUVs make up over 65% of the marked fleet and continue to provide improved handling capabilities on the road.

Every Patrol Unit is equipped with a Mobile Data Terminal that provides officers with access to various data bases while in the field. Officers are able to view records as well as share information with all sections of the department.

# Traffic Unit

The Traffic Unit includes the motorcycle component, the on-site crash investigation component and the follow-up crash investigation component. The objectives of the police motorcycles are to reduce the number of traffic crashes by the use of selective traffic enforcement and to have a force that is highly mobile and flexible enough to respond to the special traffic and/or police

investigations that are required. Examples include parades, escort service for visiting dignitaries, or any other special operation.

The crash investigation component is responsible for investigating crashes with an emphasis placed on major traffic crashes involving serious injuries and/or death. The follow-up investigators will continue the process of the investigation. Their responsibilities are to collect evidence, prepare formal reports, and prosecution reports in order to file appropriate charges.

The Traffic Unit motorcycle fleet is composed of BMW 1200 RTP police motorcycles. The City participated in the Click It or Ticket and the TxDOT Comprehensive STEP (Selective Traffic Enforcement Program) Grant campaigns in 2019. A total of 2,185.8 man hours produced 4,892 citations for all STEP programs. The majority of the citations were for speeding (2,790), intersection violations (469), and seatbelt violations (546).

The motorcycle component was used for special assignments such as Hotter-n-Hell Hundred, The 4<sup>th</sup> of July Fireworks Show at MPEC, Sheppard Air Force Base Air Show and other events as needed. The Traffic Unit was also detailed to retail area directed patrol during the heavy Christmas shopping season, which significantly reduced vehicle burglaries and thefts in the target areas.

## Community Services Section

The Community Services Section (CSS) is responsible for Crime Prevention, Crime Free programs, Drug Awareness Resistance Education (D.A.R.E.), Neighborhood Watch Groups (nextdoor.com), Volunteer Police Chaplains, Sentinels, MSU Intern Program, website management, social media, Citizens Police Academy, and the Public Information Office.

The Community Services Section coordinates community policing initiatives and enhances the relationship with the community. The section supplements all other areas of the department on special events like Hotter 'n Hell One-Hundred, and fireworks displays.

The Public Information Officer has established a good relationship with the local media. The Wichita Falls Police Department has one sergeant and three officers certified as Public Information Officers.

Wichita Falls Crime Stoppers, Inc. continues to provide outstanding support to the community. It is composed of one police officer, a secretary, and a civilian board, who manages the program. Crime Stoppers, Inc. serves the counties of Archer, Clay, Young, and Wichita. The Campus Crime Stopper Program includes Archer City ISD, Burkburnett ISD, City View ISD, Electra ISD, Henrietta ISD, Holliday ISD, Iowa Park ISD, Wichita Falls ISD, Windthorst ISD, and Midwestern State University.

## Crime Free Programs

The Crime Free program is the most widely used crime prevention strategy in the city. Since 2008, a continued reduction in crime can be traced, in part to the Crime Free training for hotel/motel, small business, self-storage, multi-housing, and family lifestyles. Two Crime Free instructors currently support the Patrol Section in its mission of providing a safe and secure environment for residents and visitors. The program is proving to be a huge success, resulting in a decrease in both criminal reports and arrests in area apartment communities. The Crime Free Business program continues to focus a targeted patrol on the business district downtown and the shopping district around the mall that is designed to identify and address any crime related issues that may arise in these areas. The Community Services Officers are Crime Free certified instructors and train other officers and agencies around the State of Texas.

The Community Services Section participated in National Night Out 2019 (NNO) with our local Neighborhood Watch programs and Crime Free Multi-Housing communities. NNO has proven to be an effective, inexpensive, and enjoyable program to promote neighborhood spirit and police / community partnerships in our fight for safer communities. The Community Services Unit held a community party at Kiwanis Park with members of the community in attendance. Plans are already being made for next year's event. In 2014, we began to promote nextdoor.com, which is an online neighborhood program. Currently, with 126 different neighborhood groups and 12,075 residents participating, nextdoor.com will continue to be a tool endorsed by the department to further enhance communication between the police and the public.

Lock, Take, and Hide is an ongoing community campaign to discourage vehicle burglaries. The program encourages our citizens to LOCK their car, TAKE their keys, and HIDE their belongings. Since its inception, vehicle burglaries have decreased, especially among unlocked vehicles. The local media has been instrumental in the success of this program through aggressive advertisement. Lock, Take, and Hide signs are now visible throughout the city, with more being requested all the time.

The Wichita Falls Police Department's Community Services Section continues to utilize the most current forms of social media in order to more effectively communicate with and receive feedback from the community. The CSS maintains the Police Department's Facebook and Twitter accounts, as well as the WFPDNow.com website. The Facebook followers in 2019 increased from 17,780 to 19,004.

## Drug Abuse Resistance Education

DARE (Drug Abuse Resistance Education training program) teaches students the dangers of drug addiction, and discourages the use of illegal drugs by teaching the students to make informed decisions. In partnership with the Wichita Falls Independent School District, our DARE officer teaches the DARE curriculum, which also includes bullying and gang prevention to all 5th and 7th graders. These programs continually educate over 3,000 children each year. DARE also conducts training and programs on a variety of drug and safety topics to parents, educators, administrators, and other adults. DARE is also available for health and safety fairs, parades and other community events.

## Annual Junior Police Academy

In June and July of 2019, the Community Services section hosted two Junior Police Academies. The academies were a week-long class each and were designed for 6th through 8th graders. The courses covered various law enforcement topics to include criminal investigations, K-9, SCUBA, SWAT, and patrol tactics. There were a total of 50 students that attended the two academies.

# Crime Stoppers

Since its inception in February of 1981, Wichita Falls Crime Stoppers, Inc. accounted for 5,471 arrests, 8,227 offenses cleared, and \$1,103,185 in rewards paid. Information received by Crime Stoppers has netted \$4,941,606 in stolen property recovered and over \$27,539,295 in narcotics seized.

All WFPD personnel attended in-service training to comply with the requirement of 40 hours of TCOLE mandated training along with State/Federal Legal Updates. The Training Unit also insured all WFPD officers completed their semi-annual handgun qualifications, annual rifle qualification, and yearly recertification for Taser. Annual qualifications were also held for retired peace officers and any officer wanting to carry a backup weapon.

### **Telecommunicator Training**

Our department's Telecommunicator training and hiring process was modified to adapt to changes in Telecommunicator licensing in the state of Texas through the Texas Commission on Law Enforcement (TCOLE). TCOLE allows for someone to be hired and work as a Telecommunicator on a temporary basis for up to 12 months prior to them completing a licensing course and passing the TCOLE licensing exam.

New Telecommunicator trainees attend an in-house academy that provides basic dispatch training for new employees. After successfully completing the 3-week academy, trainees begin on-the-job training for the various assignments within dispatch. During this period of on-the-job training, trainees return to classroom training periodically for additional training specific to the next assignment as they work towards being fully licensed. A final licensing course is mandated by TCOLE, prior to the trainee attempting the TCOLE licensing exam. After successful completion of all mandated training, the trainee will take the TCOLE licensing exam for Telecommunicators. Upon passage of the exam, the trainee will become a TCOLE licensed Telecommunicator.

WFPD conducted two Telecommunicator academy classes during 2019 and graduated eleven new Telecommunicator trainees.

The Special Operations Section is responsible for gang suppression, gang intelligence, the execution of high-risk arrest/search warrants, SWAT assignments, narcotics, highway interdiction, vice, drug search warrant, criminal intelligence, and a variety of specialized operations. This section also trains and coordinates the efforts of the police negotiators. The extensive training, ability to stay on a specific task for an extended period of time, and very flexible work schedule has allowed this unit to meet a tremendous need. The section also supplements other units of the department on an as-needed basis in special cases, supplies manpower for specialized events, and conducts undercover police operations. In 2019, SWAT had a total of 26 operations which included:

The unit is supervised by a sergeant and was organized as a full time unit in 2007. The unit has taken the lead in enforcing court ordered gang injunctions that have resulted in the successful disruption of recognized gang activities and discouraging members from association and interaction. The Gang Unit identifies criminal gang members and their geographical locales along with associates and their interaction with each other and rival gangs.

Although the main role of the Gang Task Force (GTF) is deterring gang violence, the unit has transitioned into a multi-functional task force, taking on greater roles of intelligence gathering and fugitive apprehension. The GTF accomplishes this mission with a combination of no tolerance street-level enforcement with a high degree of developed knowledge, and an insight of local gang membership and behavior.

The GTF's strong approach to criminal gang suppression, and intelligence gathering has led to a reduction of gang related crime, particularly in the injunction safety zones.
