A Message from the Chief

Chief Manuel Borrego

On behalf of the men and women of the Wichita Falls Police Department, we want to thank our citizens for your continued support and confidence in our ability as a police department to provide you with professional and competent police services. Your police department continually strives to deliver professional and relevant policing excellence to you and we stay committed to our primary mission of protecting our community as a whole.

The Wichita Falls Police Department's 2021 Annual Report is submitted for your review. This annual report highlights the different strategies and various programs we've used to ensure the safety and protection of our citizens and neighborhoods.

This report also gives insight to some of the challenges and immediate impacts we faced as a law enforcement agency. The ongoing COVID-19 pandemic has brought about a new public safety reality to police departments nationwide that demanded revised strategies to deal with the ongoing relevant short-long-term challenges caused by the pandemic and feasible immediate and near-future solutions. The police department strives to remain relevant and effective in the world of 21st Century Policing through crime reduction outcomes while building and maintaining public trust. We continue to evaluate our programs and General Orders to ensure fair and sustained effectiveness and operational efficiency of our police department. Command Staff annually reviews the departments pursuit and use of force policies to ensure we are acting in accordance with the law and meeting our citizens standard for policing in our community.

Please take the time to review the Wichita Falls Police Department's 2021 Annual Report which presents an overall assessment of your police department. As the COVID-19 pandemic continues, be assured that police operations and proactive policing programs although adversely affected, did not impact our ability to respond to calls for service or provide the level of police protection our citizens expect. I hope you find the information in this report useful and informative as we review the actions and activities of the past year. In closing, I want to thank the citizens of Wichita Falls for allowing us the opportunity to serve and protect our community.

TPCA Recognized Since December 2012

Office of the Chief of Police

The Office of the Chief of Police has the ultimate responsibility for the management and administration of the Wichita Falls Police Department. This office coordinates the Police Department's activities with other City Departments through administrative direction of the City Manager. This office insures the efficient operation of the Police Department through planning, organizing and directing its activities. This direction assures law and order is maintained and other measures are implemented to prevent crimes and to protect the lives and property of the citizens and visitors to the City of Wichita Falls. Some of the duties involve consulting with other public safety officials in developing plans and policies to be followed

in conducting operations involving joint concerns and activities. The Police Department's policies, rules and regulations are interpreted and applied from the Office of the Chief of Police.

The Community Operations Division, the Investigative Services Division, and the Office of Professional Conduct report directly to the Chief of Police. These two divisions are responsible for organizing and directing the personnel under their commands. The Community Operations Division is responsible for the uniformed services such as patrol, traffic enforcement, and community services. Responsibility also includes the civilian and administrative functions of our department, records management, communications, property and evidence. The Investigative Services Division is responsible for the Criminal Investigation Section to include Crimes Against Person Unit,

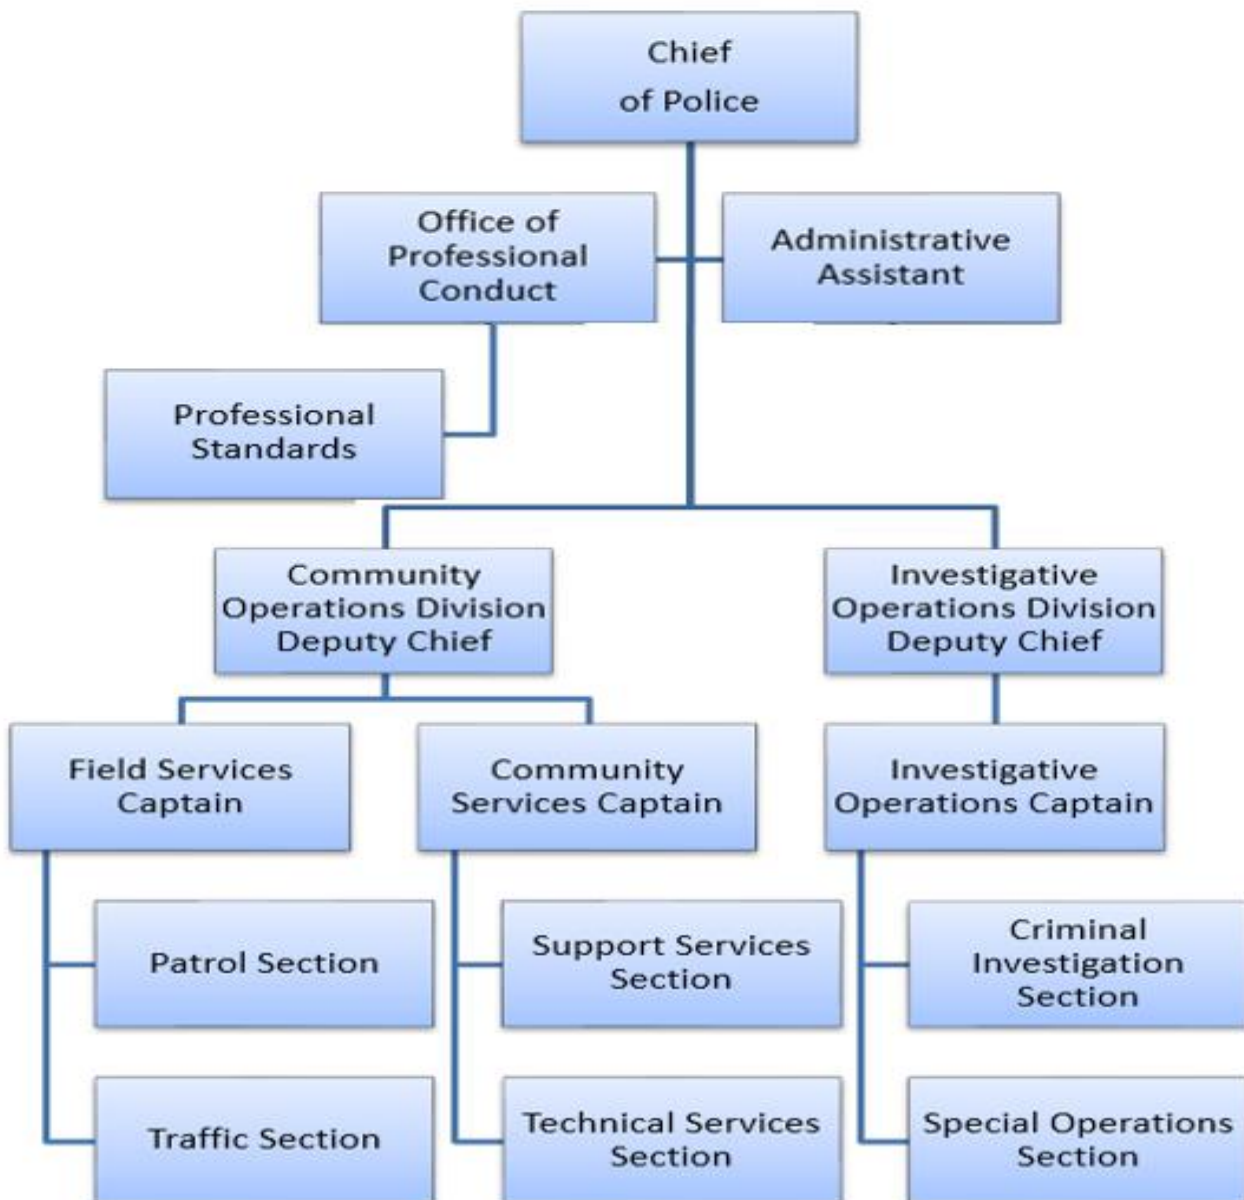

Crimes Against Property Unit, Misdemeanor Unit, Juvenile Unit, Financial Crimes Unit, and Crime Scene Technicians. This division is also responsible for the special operations units such as: Gang Task Force, Tactical Unit, Organized Crime Unit, and the SWAT team. The Office of Professional Conduct investigates allegations of officer/employee misconduct at the discretion of the Chief of Police.

Accomplishments of note for 2021 include: We fully transitioned to how the police department reports crime statistics to the FBI through the National Incident-Based Reporting System (NIBRS). The purpose of NIBRS is to enhance the quantity, quality, and timeliness of crime data collected by law enforcement and to improve the methodology used for compiling, analyzing, and publishing the collected crime data. We have begun the process of formalizing a Police-Mental Health partnership to improve and more effectively respond to nonviolent calls for service involving those with mental illness and/or intellectual and developmental disabilities. The goal of these partnerships is to ensure the safety of all, to respond effectively, and to improve access to services and supports for people who may be in crisis. Our Police Department continues to evolve into the law enforcement agency our City deserves, one that is highly respected, professional, compassionate, and mission focused.

W.F.P.D. Mission Statement

Our mission is to provide exceptional police service and protection for our community.

Wichita Falls Police Department Organizational Structure

Office of Professional Conduct

When requested by the Chief of Police, the Office of Professional Conduct will ensure that complaints or misconduct is investigated and submitted to the Chief. These investigations are categorized as either Class “A” or Class “B” investigations. Class “A” investigations are more serious in nature and are completed by the Office of Professional Conduct. Class “B” investigations are conducted by the employee's supervisor and reviewed by the chain of command.

Possible dispositions of investigations are as follows:

- Sustained:** Evidence tends to support the allegation of misconduct.
- Not Sustained:** There is insufficient evidence to either prove or disprove the allegation of misconduct.
- Unfounded:** Evidence tends to disprove the allegation of misconduct.
- Exonerated:** The evidence tends to support factual occurrence, but conduct falls within policy.
- Policy / Training Issues:** The evidence tends to support a finding of improper action, which may or may not have been consistent with policy. May indicate a need for training rather than disciplinary action.

A total of **17** cases were investigated in 2021. Of these 17 cases, 4 were Class A investigations and 13 were Class B investigations.

Professional Standards Unit

The Professional Standards Unit is composed of four components that serve the Wichita Falls Police Department in a variety of ways. The components are identified as Grant Management, Texas Best Practices Recognition Program, Strategic Planning and Research, and management of the Department's Manual of Written Directives. The mission of the Professional Standards Unit is to support the planning and execution of the Department's law enforcement operations and investigations.

Grant Management: This component applies for various grants for Departmental projects which are not within the budget. The component applied and the Department received the following grants in 2021:

- Edward Byrne Memorial Justice Assistance Grant: The Department applied for a grant from the Edward Byrne Memorial Justice Assistance program. The Department was awarded \$29,118.00 with co-applicant Wichita County Sheriff's Office. The Department used \$16,014 to purchase equipment for the Criminal Investigation Section, the Training Section, the Patrol Section and the Communications Section.
- Office of the Governor - 2021 State Homeland Security Program: The Department applied for a grant from the Office of the Governor 2021 State Homeland Security Program. The Department was awarded \$41,612.93 to purchase equipment for the Special Operations Section.
- Department of Justice - 2021 Patrick Leahy Bulletproof Vest Partnership Grant: The Department applied for a grant from the Department of Justice - 2021 Patrick Leahy Bulletproof Vest Partnership. The Department was awarded \$3,278.50 to assist with the purchase of bulletproof vests for officers in the Patrol Section.
- TxDOT Selective Traffic Enforcement Program Grant: The Comprehensive STEP program focuses on four traffic safety elements: Speed, Occupant Protection, Intersection Enforcement, and Distracted Driver violations. FY 2021 Comprehensive Grant was \$57,950.78
- TxDOT Click it or Ticket Campaign: \$12,957.34 was allocated for vehicle occupant protection enforcement during the Memorial Day holiday.
- Internet Crimes Against Children (ICAC) Reimbursement Grant: This DOJ Reimbursement Grant assist ICAC Task Forces in funding forensic equipment and training opportunities related to ICAC crimes. Total grant funding \$17,885.46

Texas Best Practices Recognition Program: This component is responsible for ensuring that the Department is in compliance with the 168 standards identified by the Texas Police Chief's Association Law Enforcement Recognition Program. These standards are based on Texas law, court decisions, and contemporary best practices. This voluntary process helps agencies in the effective and efficient delivery of services, the reduction of risk, and the protection of individual rights. A department is deemed "Recognized" if it's policies and facilities are in compliance with the established standards. The Wichita

Falls Police Department was originally “Recognized” in 2012 and “Re-Recognized in 2017. The Department was inspected by assessors from the Texas Police Chief’s Recognition Program in May of 2021. On 06/11/2021 the Department was notified that it had received “Re-Recognition” status for the second time since becoming recognized in 2012.

Strategic Planning and Research: This component completes annual reports required by Texas Best Practices Recognition Program. These reports include an Annual Report, an Accident/Injury Analysis Report, a Use of Force Analysis Report, a Vehicle Pursuit Analysis Report, and a Property/Evidence Room Annual Inventory Report. This component also performs research based on Departmental needs.

Manual of Written Directives: These directives contain the administrative policies of the Police Department. This component ensures that policies are reviewed, amended, and added to the Manual of Written Directives as needed.

Community Operations Division

Deputy Chief Scott Vaughn

The Deputy Chief over the Community Operations Division is responsible for both Field Services and Community Services. Two Captains under this division report to the Deputy Chief. One Captain is over Field Services and the other is over Community Services.

Field Services is composed of the Patrol and Traffic Sections. These sections are staffed by uniformed police officers. The Patrol Section is the largest and most recognized section of the Police Department. The Patrol Section works 12-hour shifts designed to put the maximum number of officers on the street to answer calls for service. The Traffic Section is made up of the Motorcycle Unit which specifically enforces traffic laws, and Accident Investigators who conduct both on-site and follow-up investigations of vehicle crashes.

Community Services is composed of the Support Services and Technical Services Sections. Support Services is made up of the Crime Prevention / PIO Unit and Training Unit. The Crime Prevention / PIO Unit is responsible for the Crime Free Program, Crime Stoppers, DARE Program, Volunteer Police Chaplains, Sentinels and Public Information Officer. The Training Unit is responsible for the Police Department's in-service training, managing a Basic Police Officer Academy and maintaining department training records.

Technical Services is composed of the Communications Unit, Records Unit, and the Property / Impound Unit. The Communications Unit handles all 911 emergency calls and non-emergency calls. This unit has the dispatch responsibility for the Wichita Falls Police Department, Wichita Falls Fire Department and Wichita County Sheriff's Office. The Records Unit is the repository for all police reports. An Information Desk is part of the Records Unit and provides 24/7 service to citizens by taking police reports in-person or by telephone. The Property / Impound Unit handles, stores, and inventories all property, vehicles, and evidentiary items turned in by police.

Patrol Section

The Patrol section consists of two 12-hour shifts deployed across the city to provide a 24/7 Operation. The two shifts are each divided into two platoons. There is an overlap between shifts to provide continual police coverage. When fully staffed, Patrol is comprised of one Captain, two Lieutenants, 12 Sergeants, and 80 Officers. Their deployment is constantly re-evaluated so that their assigned hours meet the needs of the community.

The Patrol section uses crime analysis information with the goal of targeting crime “hot spots” and known offenders. These efforts have resulted in numerous arrests as well as increased crime prevention tactics in a continuing effort to lower the overall crime rate. Using directed patrols and up-to-date intelligence information, Patrol has continued to assist other units of the department in reducing property-related offenses throughout the city.

A select group of officers provided field training for those recruits who graduated in 2021. These Field Training Officers (FTOs) are assigned to academy graduates and supervise their transition from the classroom to the streets. Eleven probationary officers started field training and were introduced into the Patrol section this year. All probationary officers are expected to move to solo patrol by the end of February 2022.

11 Ford Explorer SUV police vehicles were added to the marked fleet in 2021. SUVs make up over 90% of the marked fleet and continue to provide improved handling capabilities on the road. The SUVs provide exceptional capability in inclement weather allowing patrol officers to provide timely service in the most extreme conditions.

Every patrol unit is equipped with a Mobile Data Terminal that provides officers with access to various databases while in the field. Officers are able to view records as well as share information with all sections of the department.

Traffic Unit

The Traffic Unit includes the traffic enforcement component, the on-site crash investigation component and the follow-up crash investigation component. The objectives of the traffic enforcement component are to reduce the number of traffic crashes by the use of selective traffic enforcement and to have a force that is highly mobile and flexible enough to respond to the special traffic and/or police investigations that are required. Examples

include parades, escort service for visiting dignitaries, or any other special operation.

The crash investigation component is responsible for investigating crashes with an emphasis placed on major traffic crashes involving serious injuries and/or death. The follow-up investigators will continue the process of the investigation. Their responsibilities are to collect evidence, prepare formal reports, and prosecution reports in order to file appropriate charges.

The Traffic Enforcement Unit is composed of BMW 1200 and 1250 RTP police motorcycles. The City participated in the Click It or Ticket and the TxDOT Comprehensive STEP (Selective Traffic Enforcement Program) Grant campaigns in 2021. A total of 1181 man hours produced 2419 citations for all STEP programs. The majority of the citations were for speeding (1695), intersection violations (159), and seatbelt violations (255).

The Traffic Enforcement Unit worked events such as the Hotter’N’Hell 100, 4th of July Celebration and the “Red River Harley Davidson Law Enforcement Day” putting on demos for the Citizens of Wichita Falls. The Traffic Enforcement Unit was also detailed to retail area directed patrol during the heavy Christmas shopping season, which significantly reduced vehicle burglaries and thefts in the target areas.

Community Services Section

A Captain commands the Support Services Section and the Technical Services Section. The Community Services Section consists of the Public Information Office (PIO), Crime Free, D.A.R.E., Crime Stoppers, Crime Prevention, Sentinels, Citizen’s Police Academy, Volunteer Police Chaplains, and Department Training / Academy. The Technical Services Section consists of Communications, Impound, Property / Evidence Room, and Police Records.

The Community Services Section is staffed by:

Staff	Amount
Captain	1
Lieutenants	2
Sergeants	2
Officers	10
Civilian Supervisors	8
Civilians	68
Total	91

Community Services Section

The Support Services Section is responsible for Crime Prevention, Crime Free programs, Drug Awareness Resistance Education (D.A.R.E.), Neighborhood Watch Groups (nextdoor.com), Volunteer Police Chaplains, Sentinels, MSU Intern Program, Citizens Police Academy, website management, social media, and the Public Information Office.

The Support Services Section coordinates community policing initiatives and enhances the relationship with the community. The section supplements all other areas of the department on special events like Hotter 'n Hell Hundred, and fireworks displays.

The Public Information Office has established a good relationship with the local media. The Wichita Falls Police Department has one sergeant and three officers certified as Public Information Officers.

Crime Free Programs

The Crime Free program is the most widely used crime prevention strategy in the city. Since 2008, a continued reduction in crime can be traced, in part due to the Crime Free training for hotel/motel, small business, self-storage, multi-housing, and family lifestyles. Two Crime Free instructors currently support the Patrol Section in its mission of providing a safe and secure environment for residents and visitors. The program is proving to be a huge success, resulting in a decrease in both criminal reports and arrests in area apartment communities. The Crime Free Business program continues to focus a targeted patrol on the business district downtown and the shopping district around the mall that is designed to identify and address any crime related issues that may arise in these areas. The Community Services Officers are Crime Free certified instructors and train other officers and agencies around the State of Texas. The Community Services officers taught 7 Crime Free classes in 2021.

Drug Abuse Resistance Education

DARE (Drug Abuse Resistance Education training program) teaches students the dangers of drug addiction, and discourages the use of illegal drugs by teaching the students to make informed decisions. In partnership with the Wichita Falls Independent School District, our DARE officers taught the DARE curriculum in 2021, which also included bullying and gang prevention, to approximately 150 classes reaching over 1300 students. In addition, DARE officers conducted training and programs on a variety of drug and safety topics to parents, educators, administrators, and other adults. DARE officers also participated in many health and safety fairs, parades and other community events. Starting in 2022, the DARE program will be replaced with the Crime Stoppers Safe School Institute program.

Crime Stoppers

Wichita Falls Crime Stoppers, Inc. continues to provide outstanding support to the community. It is composed of one police officer, a clerk, and a civilian board, who manage the program. Crime Stoppers, Inc. serves the counties of Archer, Clay, Young, and Wichita. The Campus Crime Stopper Program includes Archer City ISD, Burkburnett ISD, City View ISD, Electra ISD, Henrietta ISD, Holliday ISD, Iowa Park ISD, Wichita Falls ISD, and Windthorst ISD.

Since its inception in February of 1981, Wichita Falls Crime Stoppers, Inc. accounted for 5,512 arrests, 8,313 offenses cleared, and \$1,137,835 in rewards paid. Information received by Crime Stoppers has netted \$4,946,806 in stolen property recovered and over \$27,547,510 in narcotics seized.

National Night Out

fight for safer communities.

Following its absence in 2020 due to Covid, National Night Out (NNO) returned in 2021 with our local Neighborhood Watch programs and Crime Free Multi-Housing communities. NNO has proven to be an effective, inexpensive, and enjoyable program to promote neighborhood spirit and police/community partnerships in our

Nextdoor.com

In 2014, we began to promote nextdoor.com, which is an online neighborhood program. Currently, with 110 different neighborhood groups and 15,354 residents participating, nextdoor.com will continue to be a tool endorsed by the department to further enhance communication between the police and the public.

Lock, Take, Hide

Lock, Take, and Hide is an ongoing community campaign to discourage vehicle burglaries. The program encourages our citizens to LOCK their car, TAKE their keys, and HIDE their belongings. Since its inception, vehicle burglaries have decreased, especially among unlocked vehicles. The local media has been instrumental in the success of this program through aggressive advertisement. Lock, Take, and Hide signs are now visible throughout the city, with more being requested all the time.

Social Media

The Wichita Falls Police Department's Public Information Office (PIO) continues to utilize the most current forms of social media in order to more effectively communicate with and receive feedback from the community. The PIO maintains the Police Department's Facebook, Twitter, and Instagram accounts, as well as the WFPDNow.com website. Facebook followers have increased from 23,166 in 2020 to 28,115 in 2021.

CRASE – Civilian Active Shooter Training

CRASE stands for Civilian Response To Active Shooter Events. The CRASE course, designed and built on the Avoid, Deny, Defend (ADD) strategy developed by ALERRT, provides strategies, guidance, and a proven plan for surviving an active shooter event.

In 2021, despite COVID-19, the Community Services Unit taught 34 two-hour classes to various businesses, groups, and churches in our city, reaching over 2000 citizens.

An optional STOP THE BLEED first aid class and an active shooter scenario training block are now available.

Sentinels

The Sentinel program consists of five civilian part-time employees. The Sentinels respond to residential property patrol checks and abandoned vehicles. They also handle property and evidence reports, which in turn frees up patrol officer time. Sentinels respond to city code violations, writing We Can Fix It memos that help enable other City departments respond to city maintenance deficiencies. The Sentinels deploy

and maintain the Department’s radar trailer that monitors vehicle speeds at key locations throughout the city. The number of patrol checks was significantly lower in 2020 due to businesses being closed for Covid-19, and the sentinels being more cautious about going into businesses that were open.

Sentinel Summary

Volunteer Police Chaplains

The Volunteer Police Chaplain program is a ministry to the officers of the Wichita Falls Police Department and to the citizens of the City of Wichita Falls. Their services are invaluable during times of critical incidents involving officers and citizens.

Citizen Police Academy

The Citizen Police Academy was first formed in 1999, and is dedicated to the education of the citizens of Wichita Falls on how their police department operates. The participants are provided hands-on training on how the officers are trained and the challenges they face through a 11-13 week program. The academy has graduated over 900 citizens since its inception. Due to the Covid-19 pandemic, there was no Spring 2021 class. However, the Academy returned with the Fall 2021 class. The Citizen Police Academy Association (C.P.A.A.), made up of class alumni, has contributed several hundred volunteer hours since the Department implemented the “Volunteers In Police Service” (VIPS) program. Since its inception, C.P.A.A. fundraising donations to the Police Department for equipment have exceeded \$100,000.00.

Junior Citizen Police Academy

In June and July of 2021, the Community Services section hosted two Junior Police Academies. The academies were a week-long class each and were designed for 6th through 8th graders. The courses covered various law enforcement topics to include criminal investigations, K-9, SCUBA, SWAT, and patrol tactics. There were a total of 55 students that attended the two academies.

Coffee with a Cop

In 2021, the Community Services Section hosted 3 Coffee with a Cop events at local coffee shops in our city: Starbucks, McDonalds, and Collective Coffee. The mission of Coffee with a Cop is to break down the barriers between police officers and the citizens they serve. Coffee with a Cop brings police officers and the community members they serve together—over coffee—to discuss issues and learn more about each other. Building relationships one cup at a time!

Training Unit

74th Police Academy

The 74th Police Academy began on April 19, 2021 and ended on October 15, 2021. Upon graduation, 10 recruits had received a total of 9,836 aggregate hours of training.

75th Police Academy

The 75th Police Academy Hiring process began in late November, 2021. The estimated start date of the Academy will be March 21, 2022.

In-Service Training

The Training Unit offered courses for 1961 attending officers throughout 2021. A total of 31,509 aggregate training hours were taught for In-Service training.

Required 40-hour training was conducted during the first of the year. Subjects covered during the 40-hour training were:

- Patrol Rifle
- ALERRT Level 1
- General Order Updates
- Conflict Resolution / De-Escalation
- CITP RP
- Stop the Bleed

Texas Best training began in September 2021 and continued halfway through November 2021. Each year Officers are required to attend Texas Best training which includes updates on Use of Force, General Orders, Less Lethal, and Taser Re-Certification. Also, all Sworn were qualified on their duty pistols for the Falls.

The Training Unit worked to bring in specialized courses during 2021. A few of the noted courses were:

- FEMA Courses G300, G400 and O-305
- De-escalation Strategies and Crisis Intervention Training
- Basic SWAT Sniper Course
- Background Investigator Course
- School-Based Law Enforcement Active Shooter
- Building Financial Strength
- Legally Justified: but was it Avoidable
- TCOLE Basic Instructor course

Firing Range – Lead Removal

The Wichita Falls Police Department Firing range lead removal was contracted out to MT2. Over a few weeks the backstop on both the pistol and rifle decks were cleaned of most lead debris. This is an arduous

process that involved heavy machinery, specialized safety gear and a significant amount of time. The lead removal began on August 3, 2021 and was completed on August 11, 2021 with a removal of 13,487 pounds of lead.

Telecommunicator Training

Our department’s Telecommunicator training and hiring process was modified to adapt to changes in Telecommunicator licensing in the state of Texas through the Texas Commission on Law Enforcement (TCOLE). TCOLE allows for someone to be hired and work as a Telecommunicator on a temporary basis for up to 12 months prior to them completing a licensing course and passing the TCOLE licensing exam.

New Telecommunicator trainees attend an in-house academy that provides basic dispatch training for new employees. After successfully completing the 3-week academy, trainees begin on-the-job training for the various assignments within dispatch. During this period of on-the-job training, trainees return to classroom training periodically for additional training specific to the next assignment as they work towards being fully licensed. A final licensing course is mandated by TCOLE, prior to the trainee attempting the TCOLE licensing exam. After successful completion of all mandated training, the trainee will take the TCOLE licensing exam for Telecommunicators. Upon passage of the exam, the trainee will become a TCOLE licensed Telecommunicator.

WFPD conducted two Telecommunicator academy classes during 2021 and graduated eleven new Telecommunicator trainees.

Alarm Permits

The Training Unit oversees the alarm permit program which includes billing, processing and enforcement. In October 2020, the Department began using alarm management software Crywolf. Prior to the transition to Crywolf, data was pulled from several sources and compiled. The Crywolf software allows for much more efficient data collection, and streamlines billing.

Alarm Permits 2021		
Type	2020	2021
Burglar/Panic Alarm Permits	3,540	3,593
False Alarms	2,463	2,362

Communications Unit

The Communications Section is staffed by licensed civilian telecommunicators who are responsible for answering all 9-1-1 emergency and non-emergency calls for service for the city of Wichita Falls and Wichita County. This unit remains in constant communication with all police, fire, and county units in the field by monitoring, relaying, and transmitting information for emergency services. Calls on 9-1-1 for medical services are received by this unit and referred to AMR for medical dispatch. The unit is also responsible for receiving, monitoring, and dispatching calls for service for the Water Department after hours, on holidays, and on weekends. Calls after hours and on holidays and weekends for other city departments are also handled by the Communications Unit. The Communications Unit is responsible for conducting monthly tornado siren test to ensure the safety of the citizens of Wichita Falls during inclement weather situations.

The Communications Unit maintains complete records of all communications transactions through computer documentation, computer programs and digital recording equipment. The Communications unit is a 24 hour a day, 7 day a week operation. Calls per year for the different organizations are as follows.

Total	138,643	149,234

Records/Front Desk

The Records Unit is responsible for maintaining and filing of the department's original documents and ensuring paper documentation is converted to digital images. The unit is also responsible for court ordered expunctions, processing requests for reports, running criminal history checks, and providing reports to other law enforcement agencies, court officials and various entities. Records Clerks are in charge of addressing citizen inquiries, along with assisting officers, investigators, other agencies and departments. Clerks also quality control information entered into various data bases used by the department.

The Front Desk is responsible for receiving public inquires and reports of criminal offenses not requiring the physical presence of a police officer. This includes missing person reports and entry of stolen property into the national data base (NCIC/TCIC). These reports are filed by the citizens either calling or responding directly to the Police Department. Front Desk Community Service Officers are tasked with documenting private lot impounds, visitor log, and various other duties. Their work assignments cover a full range of clerical duties to include a significant amount of data entry and retrieval.

Investigative Services Division

Deputy Chief Guy Gilmore

The Investigative Services Deputy Chief is an appointed position and is responsible for command of the Investigative Services Division. An Investigative Services Captain is also assigned to this Division, who answers to the Deputy Chief

The Investigative Services Division is responsible for all follow-up criminal investigations of unsolved crimes reported in the field, and for investigation of special crimes. This division is traditionally known as a “plain clothes” division and is composed of the Criminal Investigation Section, the Organized Crime Unit, the Gang Task Force and the Tactical Services Unit. The Crime Scene Unit, the SWAT team and the Honor Guard are also components of the Investigative Services Division.

Criminal Investigation Section

The Criminal Investigation Section is responsible for the follow-up investigations of all felony arrests, all Part I Offenses and some Part II (misdemeanor) Offenses, where significant solvability factors exist.

The Criminal Investigation Section is composed of five investigation units & two supporting units. These units are Misdemeanor, Property Crimes, Juvenile, Crimes Against Persons, and Financial Crimes. There are two support units; Criminal Intelligence & Crime Scene Unit. There are six sergeants and 30 detectives assigned to the section. There are twelve civilian personnel and two civilian supervisors.

Crimes Against Persons Unit

The Crimes Against Persons Unit is responsible for the investigation of felony cases such as homicide, robbery, sexual assaults, and aggravated assaults and kidnapping. They also follow up on suicides and unattended deaths. The unit is staffed by six full time detectives. The case load for each detective is approximately 20-25 cases per month. One detective is assigned to “Cold Case” investigations in addition to regular cases.

Property Crimes Unit

The Property Crimes Unit is staffed with one sergeant and seven detectives. Two investigators are responsible for investigation of auto thefts and unauthorized use of motor vehicles. One investigator is responsible for the pawn / second-hand dealer detail. The four remaining detectives are responsible for the follow-up investigation of all burglaries, felony thefts, and all other felony property crimes. The case load of the detectives is approximately 40 - 50 cases per detective per month.

Misdemeanor Unit

The Misdemeanor Unit is responsible for follow-up investigations of Class A & B misdemeanors and selected felony cases. The Misdemeanor Unit receives approximately 200 cases weekly for review. The unit is staffed with five detectives. Misdemeanor detectives are responsible for investigating reported cases that are assigned and are responsible for the filing of all Misdemeanor “in-jail” cases from arrests made by patrol.

Juvenile Unit

The Juvenile Unit is responsible for investigation of crimes against children, juvenile offenders and the tracking of sex offenders. This Unit investigates felony and misdemeanor crimes involving juveniles. The Unit is staffed by seven detectives and a Sergeant. Four investigators in this Unit work at Patsy's House Children's Advocacy Center, where they are part of a multi-disciplinary team along with CPS, the D.A.'s Office, and SANE nurses. One investigator works crimes committed by juvenile offenders and also, one investigator is assigned to the Internet Crimes Against Children Task Force. The Unit also has an investigator that is responsible for tracking all registered sex offenders in the city.

Financial Crimes Unit

The Financial Crimes Unit is composed of four detectives and one sergeant. They investigate all manner of financial crimes such as identity theft, fraud, credit card abuse, embezzlement, counterfeiting, money laundering and computer crimes. The unit works hand-in-hand with federal agencies such as the Secret Service, Postal Inspection Service, and FBI. Two detectives are assigned to a Secret Service task force to assist in major cases. The monthly case load for this unit is approximately 30 cases per detective. The unit strives to educate the public on identify theft and other fraud related crimes by presenting programs throughout the year for different civic and public organizations. The unit has an in-house forensic exam lab manned by two Financial Crimes detectives who specializes in cellular phone and computer forensic exams after having received certification through the United States Secret Service.

Intelligence Unit

The Intelligence Unit is comprised of one officer, two civilians, and a sergeant. This office serves as the intelligence center for the department. The Intelligence Unit is responsible for gathering, collating, and analyzing recorded and reported information concerning types of crime, identified criminals, and suspected criminal groups.

This office works cooperatively with local, state, and federal law enforcement agencies, and is responsible for identifying problem areas, active offenders, and crime trends discovered through criminal intelligence and analysis. The intelligence unit officer serves as the anti-terrorism liaison for the department. He is a member of the Texas Oklahoma Criminal Investigators Association, the Federal Bureau of Investigation's Joint Terrorism Task Force, and regularly attends intelligence briefings in the area and throughout the state.

This unit presented 26 intelligence briefings & 6 regional intelligence briefings during 2021. By using our intelligence led policing approach, resources are directed toward specific criminal activity, higher crime areas, and active offenders. This strategic and targeted approach to law enforcement allows for better resource allocation, crime disruption, and eventually crime reduction. The briefings help identify crime patterns and trends, which in turn develops strategies for dealing with problem areas and active offenders.

Crime Scene Unit

The Crime Scene Unit (CSU) consists of five crime scene technicians, whose duties include responding to crime scenes 24 hours a day 7 days a week for crime scene documentation. Crime scene documentation includes, but is not limited to, photography, videography, diagramming, the collection, packaging, preservation and transportation of evidentiary items, and processing for latent prints.

The CSU also performs fingerprint and palm print comparisons. Crime scene technicians enter unknown latent fingerprints and palm prints into the Automated Fingerprint Identification System databases for the Texas Department of Public Safety and the Federal Bureau of Investigation. Crime scene technicians also provide expert testimony in crime scene and finger/palm print examination in Wichita County courts, courts for surrounding counties, as well as the federal judicial system. The CSU provides forensic support to other city, county, state and federal law enforcement agencies within a two hour radius to include the FBI, ATF and Texas DPS. The CSU educates the public and provides training to law enforcement officers and new crime scene technicians concerning forensics, such as finger/palm print processing, and crime scene processing and documentation. The CSU must also stay informed regarding

the latest scientific developments and court cases in the field of forensics to aid them on crime scenes, in the lab and in the courts.

Special Operations Section

The Special Operations Section is composed of the Organized Crime Unit, the Tactical Unit and the Gang Task Force. Each of these units are uniquely specialized, but with similar and often overlapping responsibilities. Having these units under a single Special Operations umbrella allows for a unified effort and maximizes efficiency when the officers train and work together.

The Special Operations Section is responsible for gang suppression, gang intelligence, narcotic investigations, vice investigations, the execution of high-risk arrest/search warrants, SWAT assignments and a variety of specialized operations. This section also trains and coordinates the efforts of the police negotiators. The extensive training, ability to stay on a specific task for an extended period of time, and very flexible work schedule allows this section to meet a tremendous need. The section also supports other units within our department on an as-needed basis in special cases, supplies manpower for specialized events, and conducts undercover police operations. In 2021, SWAT had a total of 17 operations which included:

Tactical Services Unit

The Tactical Unit is responsible for conducting surveillance and apprehending suspects involved in burglaries, thefts and other high profile crimes. The Tactical Unit often assists other units in the Criminal Investigations Section as well as other Special Operations units in their investigations. The unit consists of a Sergeant and four assigned Officers. Since its inception the unit has made numerous felony arrests, recovered stolen vehicles, stolen firearms, and recovered large amounts of stolen property taken in burglary and theft cases.

During the 2021 year the Tactical Unit conducted over 5,192 hours of surveillance and focused efforts on 401 criminal targets. These efforts resulted in 81 Felony Arrests, 21 Misdemeanor Arrests, 53 Impounded/Seized vehicles, recovered 29 weapons, drafted 6 tracker orders for vehicles, and drafted 1 search warrant.

Gang Task Force

The WFPD Gang Task Force (GTF) is responsible for the identification and documentation of gang members, as well as performing interdiction duties to disrupt and prevent criminal street gang activity and crime within the community. The Gang Task Force was organized as a full-time unit in 2007 and is composed of a Sergeant, five full-time Officers, and K9 Lock.

The unit has taken the lead in enforcing court ordered gang injunctions that have resulted in the successful disruption of gang activity and discouraging members from associating and interacting with other gang members. The Gang Task Force identifies criminal gang members and their geographical locales along with associates and their interaction amongst each other and rival gangs.

Although the main role of the Gang Task Force is deterring gang violence, the unit has transitioned into a multi-functional street crimes unit, taking on greater roles of intelligence gathering and fugitive apprehension. The Gang Task Force accomplishes this mission with a combination of no tolerance street-level enforcement, intel based proactive policing, and an insight of local gang membership and behavior.

2021 K-9 Stats (February- December)

K-9 Lock was acquired by the Wichita Falls Police Department in early 2021. Officer Bartow is the K-9 Handler and works with Lock on a daily basis. Officer Bartow returned from training with Lock in February 2021 and he went into service near the end of that month.

Lock is a Belgian Malinois. He was imported from Poland by Southern State K-9 in Petal, Mississippi. Southern State K-9 trained and certified him in narcotics detection. He was imprinted on marijuana, cocaine, methamphetamine and heroin. Southern State K-9 also trained and certified him in tracking/trailing. After Officer Bartow completed training with him in Mississippi they were certified as a canine team. In March of 2021 they were also certified by two independent third party nationally recognized law enforcement canine organizations (United States Police Canine Association- USPCA & the National Police Canine Association - NPCA).

Lock is assigned to the Gang Task Force but is utilized department wide. Lock has assisted multiple other units within the department to include OCU, TACT, PATROL, and CIS for article searches. Lock has also conducted vehicle sniffs for outside agencies. Lock's stats for the first year are as follows. Please note that the seizures and charges listed indicate only those that occurred as a result of a positive canine alert or track.

Wichita Falls Gang Injunctions

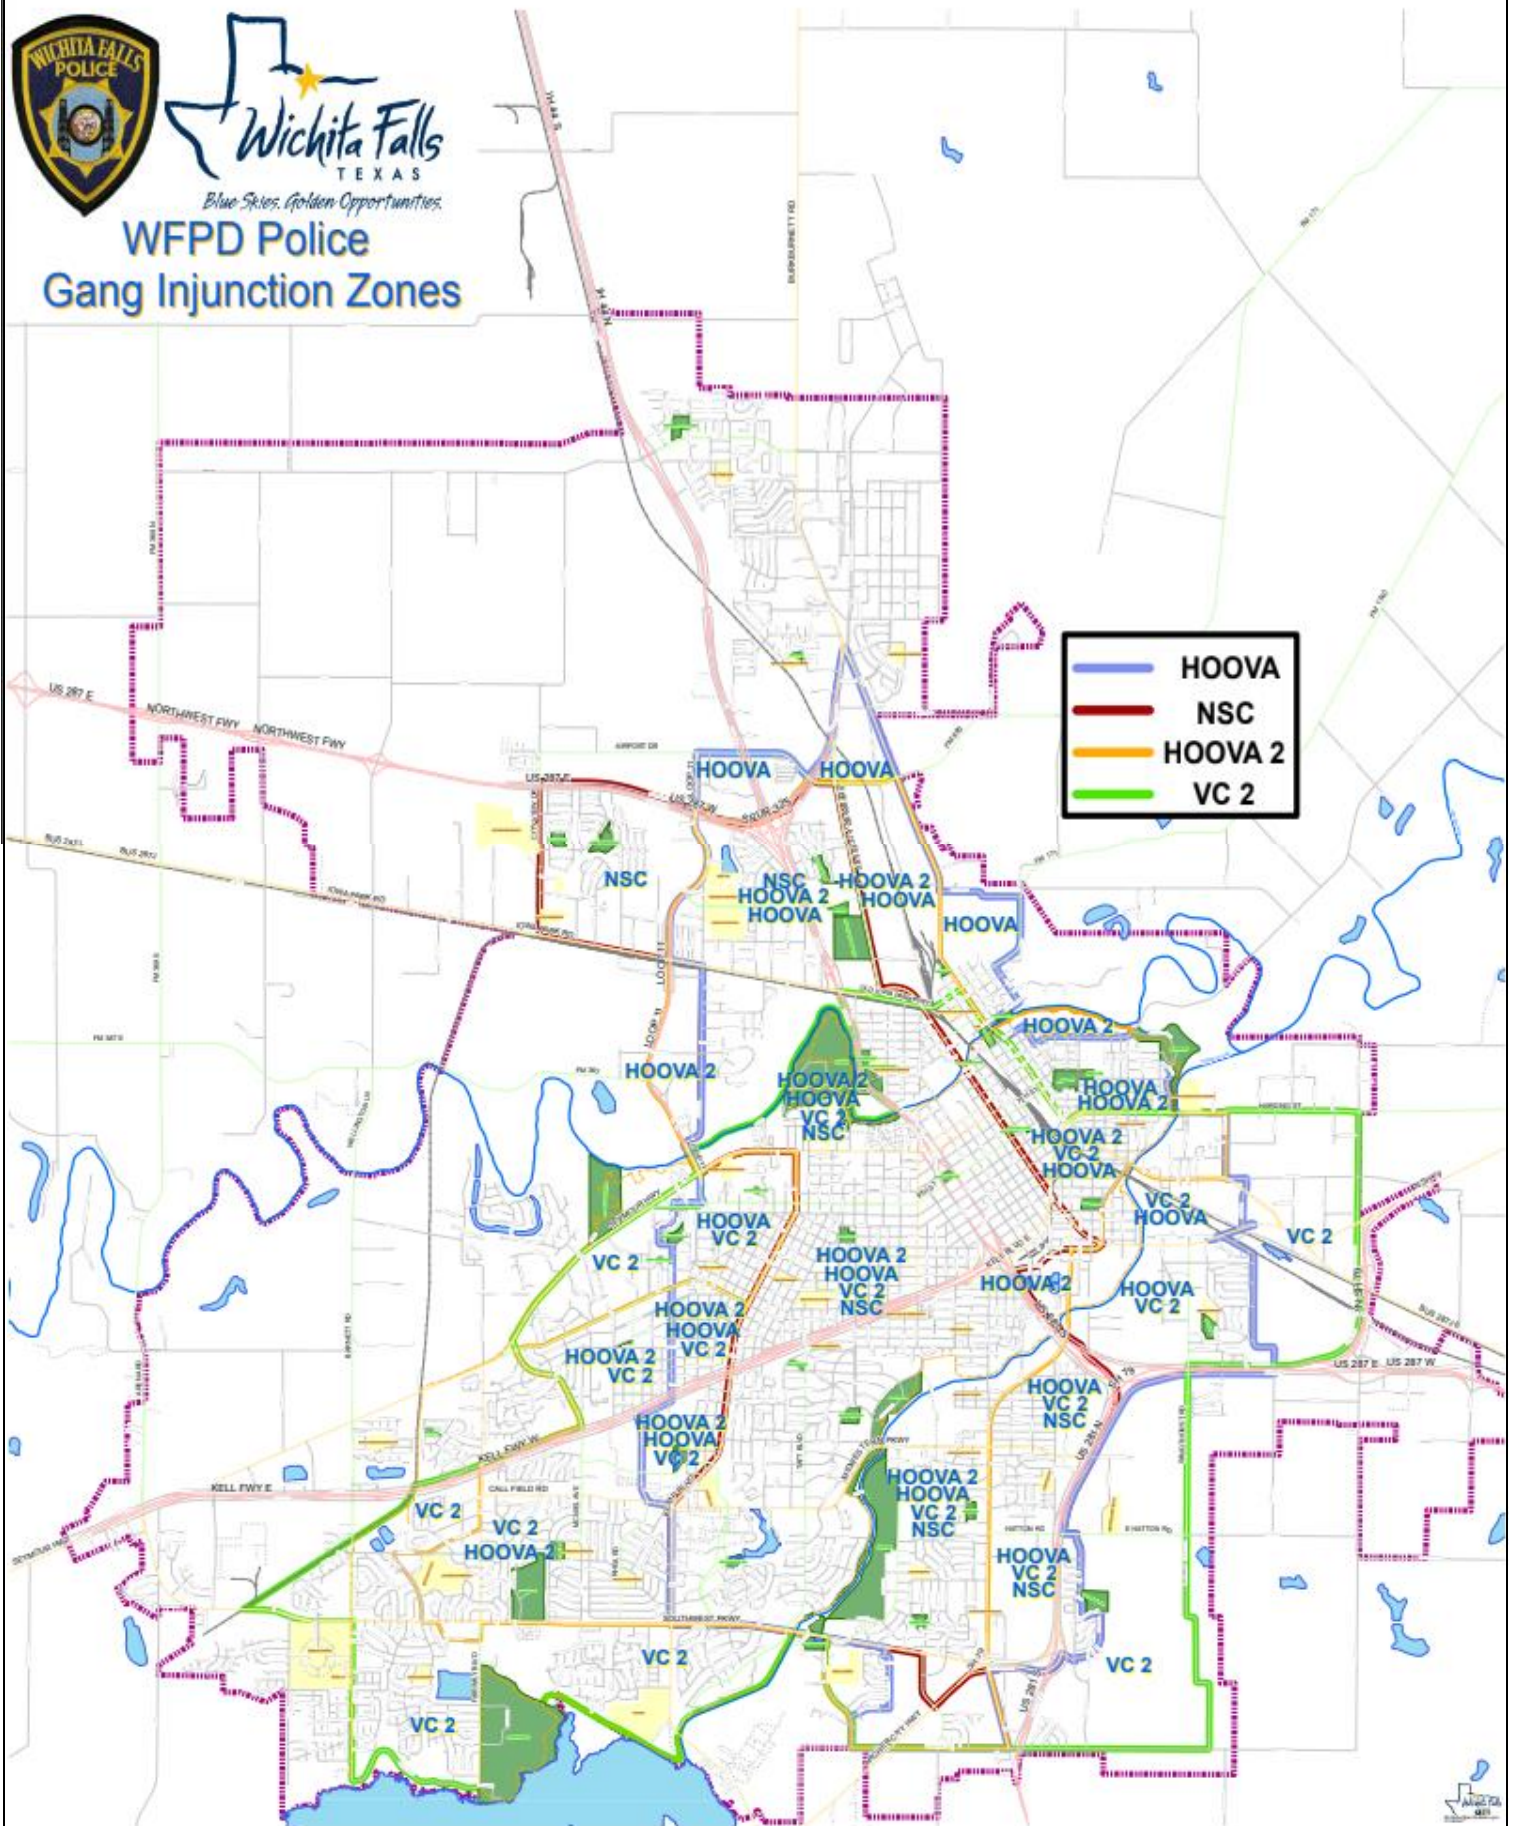

As of December 31, 2021, the City of Wichita Falls has implemented six gang injunctions over the last 13 years. There are still four gang injunctions currently in operation. The PLM gang injunction was implemented in 2008. The NSC gang injunction was implemented in 2010. The Hoova #1 gang Injunction was implemented in February of 2011. The VC #2 gang injunction was implemented in 2014. The most recent gang injunction, Hoova Crip #2, was implemented in December 2018.

Crime in the neighborhoods that make up the various gang injunction zones has been significantly reduced since the injunctions have taken effect.

Organized Crime Unit

The Organized Crime Unit is responsible for narcotics, vice, organized crime investigations within the city of Wichita Falls. This involves the filing of all the departmental drug related cases, undercover operations, surveillance, reversals, drug buys, and buy-bust types of cases. In addition, they investigate prostitution, gambling, and organized crime problems in the city. Members have received highly specialized training in the investigation and handling of labs, and a majority are lab-certified. In 2021 there were 24 WFPD drug cases indicted in the federal courts. The WFPD filed 619 drug related cases with the District Attorney's Office.

In January 2021, the Wichita Falls Police Department switched from a Uniform Crime Reporting (UCR) Program to a National Incident-Based Reporting System (NIBRS) for criminal activity. The NIBRS reporting system provides a greater specificity in reporting offenses, collects more detailed information, helps give context to specific crime problems & provides a greater analytic flexibility according to the Federal Bureau of Investigation. For more information about the new reporting system, please visit:
